Courses offered for exchange students

Courses must be pre-approved by Hochschule Rosenheim (HR) and submitted to CCU with your application. All pre-requisites must be completed. We will create your schedule for you based on your requirements and course availability. Please be sure to include alternate courses with your application. Please identify any classes you are required, by your home university, to take while at Coastal with the term "required." View our online course catalog under the "students" section:

Accommodation Links

Student dormitories: <http://www.coastal.edu/housing/>

International Students either stay on-campus, typically in apartment style dorms with a private bedroom and a shared kitchen & living area or we place them in a private apartment complex a walking distance from the campus. For housing that are not a walking distance from the campus, we have a free shuttle service. Our Office of International Program Services helps find appropriate accommodations for all exchange students.
